Text:

Next summer, I am going to visit Santorini, a beautiful island in Greece that I have always dreamed of seeing. It will be one of the most amazing experiences of my life. The white-washed houses with blue domes, built on cliffs above the deep blue Aegean Sea, are going to take my breath away. I am going to stay in a small hotel with a view of the sea, and every morning I will wake up to the sound of waves and fresh sea air.

Each day, I am going to explore the island, walk along the Cliffside path from Fira to Oia, and take many pictures. I will go sailing around the island, swim near the volcano, and relax on the beaches with black and red sand. In the evenings, I'm going to enjoy delicious Greek food and watch the sunset. The sky will turn orange, pink, and purple it will be magical.

One night, I am going to take part in a cooking class where I will learn to make traditional dishes like moussaka and tzatziki. I will meet new people, make friends, and collect unforgettable memories. The people are going to be friendly and warm, and I know I'll feel welcome. I am Amar, and this trip is going to be the adventure of a lifetime!
