Level: 1st year Scientific Streams **November 2024**

Duration : 1 hour

First Term English Test

A/ COMPREHENSION: Read the text carefully then do the activities (8pts)

Hi Amira,

How is it going? I hope you are doing great. I have always wanted to get to know someone from Algeria and I could not miss the chance once I came across your profile.

My name is Eva Arnold. It is a common name here in Norway, which means "life". I am 16 years old and I am a pupil. My high school is just a few blocks away from my house, so I sometimes go there on foot, except when it is raining. I love walking in the rain but my mother never lets me do it. **She** happens to be a teacher at my school, and we usually walk there together. My father, who works as a doctor, offers to drive us by his car but mom never accepts since the school is not that far. Therefore, my father only drives my 5-year-old sister Anne to her kindergarten.

I am extremely passionate about learning new languages. Now, I am trying to learn both Spanish and Japanese. I am an introvert, so I spend most of my time at home either watching anime or drawing manga. Ah yes, I will share with you some of my art. I hope you will like **it**.

Well I guess that is all for now. It is your turn to let me know about yourself.

Kindest Regards,
Eva

1. *Complete the following table from the text. (02 pts.)*

The sender	The receiver	The sender's country	The receiver's country

2. *Say whether the following statements are 'true' or 'false'. (01 pt)*
