The First Term English Test 2025_2026

November 17th

My name is **Deniz**, and I am from a wonderful city in Turkey, a place known for its kind people and rich culture. I'm the type of person who is calm, friendly, and kind. I think I am responsible too. These qualities help me make friends easily but I get on well with my friend **Ahmet** because we share the same personality traits.

When it comes to my interests, I like to mix studying with exciting activities. I'm interested in learning new subjects at school and improving my knowledge every day. I'm fond of reading books and watching documentaries to discover more about the world.

As for my abilities; I can play video games to relax and have fun. I can design handicrafts and creative projects, which helps me express my imagination. I can write short stories and I can also learn new skills quickly. Doing these activities makes me feel happy, confident, and ready to try new things every day.
