FIRST TERM ENGLISH TEST

Level: 3MS

Text:

Dear Algerian friends,

My name is Salah Aljaafarawi. I was a Palestinian journalist from Gaza City. I was only 29 years old. Since my childhood, I dreamed of showing the truth of our life in Gaza to the world. Every day, I used my camera to report what was really happening during the attacks on our people.

Life in Gaza was never easy. We lived under constant danger and fear, but I never gave up. I was brave, kind, and honest. I loved helping children and telling their stories to the world. I was also interested in photography and journalism.

I could speak Arabic and English, and I was learning Turkish. I loved my work, but I hated the war and violence around us. Sadly, I lost my life while doing my duty — filming the suffering of my people. I hope that one day, Palestine will be free.

Yours truly,
Salah Aljaafarawi.
