اختبار الفصل الثّاني

Text:

Dear reader,

I hope you're doing well. My name is Tom. I am 11 years old. I am from England and I live in London. I want to tell you about my school, a special place where I learn new things every day.

My school is big, with many rooms. At the entrance, there is a reception, the principal's office is next to the staff room. On the right, there's a large library filled with books. Our classrooms are on the first floor, with a science lab between the computer and art rooms. Behind the school, we have a big playground for physical education.

At school, we have duties and rights. We must respect teachers and classmates, follow rules, keep the school clean, and complete our homework. At the same time, we have the right to learn, express our ideas, and feel safe.

Our teachers encourage us to be responsible and kind. I love my school because it's a great place to learn and grow.

Yours,
Tom
