SECOND TERM ENGLISH EXAM

Reading Comprehension

Read the text carefully.

I'm Manel, a 1MS middle school pupil at Hachemi Hamoud Middle School in Boumerdes. I study many subjects such as math, English, science. Our school has nice facilities like a big library, a science lab, and a large playground. Every day, we learn new lessons and take part in different activities.

These days, I am also working with my classmates on a charity project in the library. We are collecting information and organizing donations for children in Palestine and Africa.

We will present our project in English class next month.
