Hello! My name is Adem. I am so happy to tell about my house. It is not very big but it is lovely and comfortable. It has two floors and a small garden. Inside the house, there is a living room, a kitchen, two bedrooms and a bathroom. My bedroom is upstairs next to my parents' room, and the bathroom is in front of the kitchen in the first floor. In my room, there is a desk by the window where I study and my bed is near the wall. I love spending time in the living room because it is cozy. There is a sofa in front of the TV. Our garden is my favourite place; it has many green spaces, beautiful flowers around the path and a bench under the big tree. I love my house; it is my preferable place where I relax and feel happy.
