Text

Hello! My name is Wassim, I am twelve years old, and I am a middle school pupil.

I am so happy to tell you about my school. My school is big, there are many classrooms, bathrooms and a large schoolyard.

I study many subjects like: English, French and Physics. But my favourite subject is Civic education, because every day I learn about my rights and duties for example: I have the right to a good education, I have the right to use school facilities and to have equal opportunities in class. I also have duties such as: work hard and do my best, keep my school clean, and listen to my teachers.

My teachers and classmates are really nice, I like my school so much.
