My Ideal Teacher

"Life is a lesson and success depends on how we learn it", this is my favourite quote from my English teacher. My teacher is one of my role models in my life; I like him very much. He is a mentor **who** has shaped many students of our school. Only when I see the students shine because of him, I am able to understand how much a teacher can change and influence them.

My English teacher is unique, we have always enjoyed his class. He is sociable, patient, caring, active, responsible, respectful and best of all he is always cheerful. His grammar and vocabulary sessions are so helpful and because of his additional efforts, we have stood out from students of other schools.

My English teacher is my favourite teacher because he also encourages and assists us in various competitions. I would definitely mark his name behind my success in every stage of life since he is the one who boosted up my confidence level. He never bores us and we all have achieved distinction in English examination. Without him, our English sessions would have been monotonous and less interesting.

I am really grateful to have such incredible teacher. Thanks to him, I feel ready to handle whatever life throws at **me**.
