Massinissa school **May,2014**

Level : **Final Exam**

Name : (2AM)

Dear friend,

Summer's here. I'm so happy. I got my school-report. I worked well; at least what my parents say.

My best mark is at mathematics. I really like this school-subject .In the future, I'd like to be an architect. And you? What would you like to be?

How long are your Summer holidays? Here we get about two months. What are you going to do during your Summer holidays? I'm going to the beach, and in August, I'm going to have a trip round Northern California .I'm going to visit San Francisco, there. I'll send you some photos.

Best wishes,

Alison.
