Hello! Is that you Bill ? you look bigger and more handsome. Did you remember me? I' m Mellina .Your neighbor in Stamford .We were at the same class in Bluecoat primary school. We used to go by your father's car.

You know ! you look completely different . Before you were fat and short boy, you used to wear casual clothes like long large pants and jacket with big round glasses. You were so shy and calm but so smart. Our teacher of Math used to talk only about you .you were her favorite pupil.

In Summer, we used to go swimming in the river when the weather was hot and we used to play chase tag game , I can't forget your grandparent's farmhouse which was full of domestic animals .we used to milk cows and feed chickens with your grandmother, I loved her too much because she used to feed us delicious donuts, All in all , I missed such days which are really unforgettable.
