**Text**

My grandmother is more than eighty years old. She usually tells us about her life in the past.

When she was a young woman; seventy years ago; she used to live in a farmhouse with her big family. Her dad used to raise animals like chickens, cows, geese and sheep. She used to help him in feeding the pets. Grandma and her sister used to play hopscotch and hide-and-seek. Her dad used to buy them clothes once a year. Her mother used to wear traditional clothes like Hayek and Jebba. They used to listen to the radio because they didn't have a television.
