The First English Exam 2025

This is my grandfather

http: /www.Englishforfun .com

Hello everyone! My name is Lucy and this is my beloved grandfather! His name is Tim and he is my best friend. My grandfather is sixty-four years old and he is retired now, so he has plenty of time to be and play with me. I love him very much and I know he loves me too. We usually spend a lot of time together.

He lives with me, my father, my mother and my brother Kevin. We live in a big house in Fort Collins, Colorado. My grandfather is a very tall and strong man! Can you see me on his shoulders in this picture? He is really strong! My grandfather is a patient and caring man and sometimes I think he is a magician. He's always guessing what I want to do or to eat or what I feel inside!… When I am sad, he always makes me laugh with his funny faces and he even sings for me!

He drives me school and picks me up at the end of classes, he plays chess with me and he counts the stars with me. I love him very much!
