The text:

My Best Friend

Hi, my name is Mary Kelly, and I want to talk about my best friend, Sarah. Sarah has always been there for me when I needed her. Whenever I have a problem, I know that, I can talk to her and she will listen. She never judges me, and she always has my back. **(§ 1)**

Sarah is a good friend because she is kind and caring. She is always looking out for me and making sure that I am okay. She will call or text me just to see how I am doing. Moreover, if I am having a bad day, she knows just how to cheer me up. **(§ 2)**

One thing that I really appreciate about Sarah is that she is honest with me. If she thinks that, I am doing something wrong or if I need to hear the truth about something, she will tell me. I might not always like what she has to say, but I know that she is looking out for me. **(§ 3)**

Sarah and I have been friends for a long time now, and we have had our ups and downs. However, no matter what, we always work through our problems. We talk things out and make sure that we are on the same page. That is what makes our friendship so strong. **(§ 4)**

Sarah is my ideal friend because she is always there for me; she is kind, honest and caring person. We have great communication. I am lucky to have her as my best friend, and I know that our friendship will last a lifetime. **(§ 5)**
