Second English Practice Exam

Doctor: Good morning. How can I help you?

Sara: Hi, doctor. I have a terrible headache, and I don't know what to do.

Doctor: I see. Have you been sleeping well?

Sara: Not really. I stay up late watching TV and playing video games.

Doctor: That could be one of the reasons. Also, have you been drinking enough water?

Sara: No, I usually drink soda and coffee instead of water.

Doctor: That's not good for your health. You should drink more water and avoid too much caffeine.

Sara: I understand. What else should I do?

Doctor: Try to get enough sleep, reduce screen time, and take breaks while studying. If the pain continues, take a painkiller.

Sara: Alright, I'll follow your advice. Thank you, doctor.

Doctor: You're welcome, Sara. Take care.
