Second Term Exam

The texte:

Amy is 12 years old .She is a middle school pupil. Amy is very fat. She suffers from a serious health problem which is **obesity** because she eats big quantities of food with a lot of sugar, fat and salt.

Amy gets up at 7:00 am She eats four pieces of cake and a glass Of milk for breakfast when she goes to school. she buys some cookies, two bars of chocolate, three bags of chips and a packaged drink for morning snack. For lunch, Amy prefers junk food like pizza, hamburger or French fries. For dinner she usually has chicken. some cheese and dessert.

Amy is a couch potato she spends most of her time in the living room watching TV and eating . she doesn't practice sport or follow diet plan to lose weight.

Adapter from the net
