THE FIRST TERM TEST OF ENGLISH

Dubai -the most famous urban city in the Middle East- has lots and lots of beautiful buildings. Burj Al Arab and Burj Khalifa are the most popular ones. Burj Al Arab was built in 1999, it was designed by Tom Wright. Its area is 309,473 m2 and its height is 210 m. The building consists of 60 floors containing hotels, restaurants, and a shopping mall. Burj Khalifa is as spectacular as Burj Al Arab. It was built in 2010 and designed by Adrain Smith. It is 828 m high and its area is 526,760 m2, so it is larger and higher than Burj Al Arab. Inside the construction there are hotels, restaurants, and a shopping mall just like Burj Al Arab, but they are more expensive. It contains 206 floors making it the highest building in the world. All in all, both Burj Al Arab and Burj Khalifa are very attractive, they are really great places to visit.
