Duration:1h

The First English Term Test

Text:

There are different landmarks in Algeria and Maquam El Shahid is one of them. It is situated in Algiers. It was constructed by Lavalin company in 1982. It was designed by the architect Bachir Yelles. It was opened on the 20th anniversary of Algeria's independence in 1986. It is 92 m tall and it has an area of 15,625 sk. This memorial is free to visit. I like this fascinating monument!
