فرض الثلاثي الثاني في مادة : اللغة الإنجليزية المدة : ساعة واحدة

Hello everyone! My name is Sofia Martin, and I am 15 years old. I live in Dawson, a small city in Canada. People say I am a cheerful and kind person. I love helping others and I always make my friends laugh. I am also very curious and I ask many questions because I want to learn new things. My teachers tell me I am creative and hardworking, especially when it comes to art projects.

When I grow up, I want to be a graphic designer. I think it would be so cool to make beautiful designs. One day, I dream of having my own studio where I can work on big projects with new ideas. For now, I practice drawing and I am learning about graphic designing so I can be ready for my dream job.
