Second Term English Test

Text :

A good teacher plays an important role in shaping students' minds and guiding them toward success. Teaching should be based on respect, understanding, patience, and kindness. A teacher is a special guide who helps students grow, learn, and become better people.

My ideal teacher is **Miss Amina**. She is very kind, honest, and supportive. **Miss Amina** always listens to her students and understands their needs. She is calm, patient, and respectful, and she never judges her students. She has a positive personality and a warm smile that makes everyone feel comfortable in class.

From **Miss Amina**, I learned many important lessons. She taught me to be patient and to stay calm when facing difficulties. She also taught me the value of hard work, honesty, and helping others. Thanks to her encouragement, I learned to believe in myself and to never give up on my dreams.

I am very lucky to have **Miss Amina** as my teacher. She is not only an excellent teacher, but also a true inspiration to me.
