The Final Examination

A Good Citizen

After school, Karima comes home. She does her home work. She helps her mother in the kitchen, she takes care of her baby brother and plays with him. After that, she goes to the back yard, she waters the plants and feeds her pets.

Karima is a responsible citizen, she always makes sure to pick up the trush and put it in plastic bags, then throw it in the rubbish bins. She also teaches her family about recycling. She .recycles many items like : plastic boxes , water bottles and soda cans….etc because she wants to keep her environment clean.

Recently, Karima created a facebook page called " community cleaning ",the page encourages teenagers to volenteer together to clean, repair and improve public spaces in her city. Unlike other girls of her age, Karima wants to be an ideal citizen. She wants to make positive changes in her community. Through her page , she inspires people to care about the environment and preserve it.

Section one:Reading Comprehension :

Task one : - Read the text and **match each idea with its corresponding paragraph (3pts)**
