اختبار الفصل الثالث في مادة الإنجليزية

Text :

Charity refers to a generous feeling towards people in need and also to organizations which provide help to needy persons. The Algerian Red Crescent is a government association and it's the oldest one. A lot of young people take part in the different activities in the ARC, added to other organizations such as Ness El Khir and Kafil El Yatim. The Algerian youth is more and more responsible. They can make decisions to solve different community problems like poverty, violence, drug addiction and many other serious problems

As far as the environment is concerned, they've always encouraged people clean their neighbourhood and not throw rubbish anywhere. They also aim at stopping deforestation by planting trees but the most important is to help the poor, old, needy, handicapped and homeless people.
