TEXTE Mosquée Al-Aqsa

Al-Aqsa Mosque is one of the most important Islamic landmarks, located in Jerusalem, Palestine. It was the first Qibla and is the third holiest site in Islam. It is mentioned in the Qur'an in the story of the Prophet Muhammad's Night Journey (Isra and Mi'raj).

The mosque covers around 144,000 square meters and includes key structures such as the Dome of the Rock, the Qibli Mosque, the Marwani Prayer Hall, and Al-Buraq Mosque.

It was established after the Islamic conquest of Jerusalem during Caliph Omar's rule and was expanded in later Islamic periods. It was turned into a church during the Crusades, then restored by Salah al-Din.

Today, Al-Aqsa faces Israeli occupation and ongoing violations, yet remains a symbol of Islamic faith and Palestinian resilience. **.https://www.britannica.com/place/Al-Aqsa-Mosque**
