My Trip around Italy. (By Lyna Mansouri)

Travelling is my favourite thing in the world. I like discovering new places, meet new people, and try new things in my life. My last summer vacation was very interesting, I had an amazing trip to Italy with my family.

First, we flew from Oran to Rome, the capital of Italy to see the Coliseum, an old Roman amphitheater which was built around 70 AD. Then, we took the train to Pisa as we wanted to see the Lining Tower: a true architectural masterpiece that has captivated my heart, it is very famous because it is not vertical. After that, we drove to Florence where we paid a visit to Leonardo da Vinci Museum, one of the greatest painters in the history of art.

Finally, we returned to Oran and I was so happy after spending a wonderful time with my family around Italy; the best place I have ever visited in my life. It has spectacular cities, ancient ruins, wonderful museums, and beautiful nature.
