Part one: Read the text and do the following activities.(14pts)

Hello my friend ! I' m sure when you finish reading my message you will buy tickets to England .The best place to spend special moments.

Well, last weekend, my friends and I went on a trip around England. We took a plane to start from New York to England. The adventure began at the Neolithic monument of **Stonehenge** after a tour to learn its secrets. Then we moved to the incomparable **Cotswols** region . This protected area of England spans six countries and is known for its unspoiled countryside and charming cottage homes. The weather was so delightful to enjoy such days . The splendor of England doesn't end there, we wandered the well-manicured gardens at **Hidcote Manor**, followed by a stop in the medieval village of **Stratford-upon-Avon** to see where William Shakespeare was born the most famous writer in the world. The final destination was London where we visit the **Historic Glob Theater** of Shakespeare which was so attractive. The trip culminates with a tour of **London**'s most famous sights on an open-topped bus, followed by high tea at the landmark **Savoy Hotel**.

Finally ,we went back to **New York** with a lot of gifts and unforgettable souvenirs .

Yours Stive.
