Level 2ALLE **May 2023**

Third term test

PART ONE: Reading and Interpreting
Read the Text then do the below activities.

Have **you** ever wondered where the word "Algorithm" comes from?" Algorithm comes from the Latinized name for a very special man- Al Khwarizmi. He developed the science of mathematics and invented Algebra as we see **it** today and contributed to so many more that his name was used to describe algorithms.

Al Khwarizmi was born in the area originally known as the Fertile Crescent and later as Baghdad, he was a Muslim mathematical scholar. His full name was Abu Ja'far Muhammad Bin Musa Al Khwarizmi. From this, we are sure that he was the son of a man named Musa, the Qur'anic name for Moses, but due to Arab culture, **his** mother's name is not known. He lived through the Islamic empire during the Abbasid Period and was under the rule of two kings, Ma'mun and Haroon Rasheed. During this time, science and religion were coexistent as Muslim scientists and scholars worked effortlessly to piece together the understanding of the world.

1- Are the following statement true or false according to the text? **1.5 pt.**

1. Algorithm comes from the Latin name of Al Khwarizmi ……..

3. Al Khwarizmi was born in Baghdad. …….

2- Answer the following questions according to the text. **3pts**

a. What is the Quranic name for Moses?
……

b. Why is his mother's name unknown?.
……

c. Why do Muslim scientists and scholars worked effortlessly during that time?
……..

3- What or who do the underlined words refer to in the text. **1.5pnt**

You =

It= **his =**

4- What is the general idea of the text? **1pnt**

……

Part two: text exploration

1- Find in the text words that are close in meaning to : **1pnt**
Created §1= certain §2=

2- Complete the following table **2pnts**

Verb	Noun	Adjective
Ex: To develop	Development	Developed
……	…….	collective
……..	invention	…….

3- Put the following verbs in the correct form. **3pts**

1. If you (boil) ……..water to a 100 degrees, it (evaporate)……..
2. He (be) ……. overweight, if he (eat) …… much.
3. Water (to become)…… ice if you (to freeze)……. it.

4- Mark the stress in the following words: **2pnts**

Communication democracy realistic nation

Part three **5pts**

Fill in the gaps with the appropriate words

Golden time peace achievements fields era ideologies

The **golden age** is a period of …… in which there was cultural progress, peace, prosperity, and happiness. During that ……, there were significant achievements in technology and ideas. Humans lived a wonderful life because they enjoyed ……., coexisted in harmony, depended on stable governments, and made significant prosperity in different …….. However, the emergence of new philosophies, ……, religious doctrines, and cultural norms brought the golden age to an end .

Correction

1) Are the following statement true or false according to the text? **1.5 pt.**

4. Algorithm comes from the Latin name of Al Khwarizmi true
5. Al Khwarizmi developed the science of physics. false
6. Al Khwarizmi was born in Baghdad. true

2) Answer the following questions according to the text. **3pts**

d. What is the Quranic name for Moses? The Qur'anic name for Moses is Musa

e. Why is his mother's name unknown? Due to the Arab culture

f. Why do Muslim scientists and scholars worked effortlessly during that time?

Muslim scientists' and scholars worked effortlessly to piece together an understanding of the world.

3- The main idea is that al Khwarizmi is considered the father of mathematics and algebra and his me is still used until our day to describe algorithms. **1pnt**

3) What or who do the underlined words refer to in the text. **1.5pnt**

You = readers

It= algebra **his =** al Khwarizmi

Part two: text exploration

5- Find in the text words that are close in meaning to : **1pnt**

Created §1= invented certain §2= sure

6- Complete the following table **2pnts**

Verb	Noun	Adjective
Ex: To develop	Development	Developed
To collect	Collection.	collective
To invent	invention	Invented

7- Put the following verbs in the correct form. **3pts**

1- If you boil water to a 100 degrees, it evaporates

2- He will be overweight, if he eats too much.

2- Water becomes ice if you freeze it.

8- Mark the stress in the following words: **2pnts**

Communication democracy realistic nation

Part three **5pts**

Fill in the gaps with the appropriate words

The **golden age** is a period of time in which there was cultural progress, peace, prosperity, and happiness. During that period there were significant achievements in technology and ideas. Humans lived a wonderful life because they enjoyed peace, coexisted in harmony, depended on stable governments, and made significant prosperity in different fields However, the emergence of new philosophies, ideologies, religious doctrines, and cultural norms brought the golden age to an end
